Sir:

AMENDMENT

In reply to the Official Action dated March 26, 2003, please amend the application as follows:

IN THE CLAIMS:

Please amend claims 17 and 18 as follows:

17. (Amended) A distributed system with a plurality of services, comprising:
a first server computer having a memory containing a lookup discovery service
for facilitating access to at least a second server computer;

a second server computer having a memory containing a lookup service having
stubs for facilitating access to a plurality of services and having a processor for running
the lookup service; and

a client computer having a memory containing a program that transmits a request
to the first server computer and having a processor for running the program; wherein
